

# CULT INITIATES

The following fighters are an expansion to those available to Chaos Helot Cults and Genestealer Cults in Necromunda. These new options give them their own Juves so that they can take advantage of cheap nuisances to harry opponents, or watch them grow into mighty warriors of their blasphemous ideals! Now when a cult gains a Juve from a Settlement boon, or some other rule, they have the correct fighter type to recruit instead of gaining a Ganger equivalent as before.
