

LOST PATROL

LOST PATROL

Your gallant squad of Space Marine Scouts has landed on the world of Maraz III. Your mission is to locate a crashed dropship which contains vital surveillance files. Once you have found the target you must activate the dropship and make good your escape.

But this where the going gets tough. Maraz III is no ordinary planet but a deadly jungle world where even the plants are out to get you. Hidden among them are ferocious alien monsters called Lurkers who are just waiting to pounce upon anything foolish enough to get too close. To succeed in your mission you must fight your way along the ever changing jungle paths, return to the dropship and escape.

Good luck Space Marine. You're going to need it!

Lost Patrol contains: 5 Space Marine Scouts, 30 map tiles, 18 Lurker counters, 3 dice & gaming rules.

THESE ARE THE FIRST TITLES IN AN ONGOING SERIES OF GAMES. WATCH OUT FOR MORE!
